

Vane Axial Fan Services

Expert services, long-term value

As the region's largest independent service group, **EMCOR Services Mesa Energy Systems' EPA-certified and factory-authorized experts** are your single source for comprehensive, high-quality fan services. And since we're brand neutral, we have vast experience servicing fans from manufacturers such as:

- Joy
- Trane
- Flakt
- Woods
- Peabody
- Greenheck
- Champion
- Chicago Blower

We also offer replacement/enhancement products and energy saving upgrades for these lines and more.

Our Fan Services Include:

- **Complete overhauls**
 - Prop
 - Pitch control
 - Motor
 - Pilot positioner/actuator
- **Motor replacement**
- **Fan replacement**
- **Customized preventative maintenance programs**
- **Non-destructive testing, including:**
 - Infrared scanning
 - Vibration analysis
 - Oscilloscope testing
- **System and equipment retrofits**
 - Energy saving solutions
 - VSD retrofits

When properly maintained, vane axial fans not only provide critical comfort needs to the people and the equipment in the buildings but also help reduce your operation costs through increased energy efficiency, while extending your equipment's useful life. Mesa Energy Systems provides a comprehensive package of expert fan services designed to keep you running at peak productivity.
